## Summary of Contents

Table of Contents.....	v
About the Editors.....	xiv
Contributing Authors .....	xv
Preface.....	xxv
Introduction, by John C. Dernbach and Scott E. Schang.....	1
Overview, by Anthony Pipa.....	17
Chapter 1. <i>No Poverty</i> , by Audra Wilson and John Bouman .....	33
Chapter 2. <i>Zero Hunger</i> , by Claire Babineaux-Fontenot and Corey Malone-Smolla .....	49
Chapter 3. <i>Good Health and Well-being</i> , by Alexandra Phelan with Teresa Cutts and Gary Gunderson.....	65
Chapter 4. <i>Quality Education</i> , by Mark Dorosin .....	81
Chapter 5. <i>Gender Equality</i> , by Karol Boudreaux.....	97
Chapter 6. <i>Clean Water and Sanitation</i> , by Robert W. Adler .....	115
Chapter 7. <i>Affordable and Clean Energy</i> , by Elizabeth Kronk Warner and Uma Outka.....	131
Chapter 8. <i>Decent Work and Economic Growth</i> , by Stephen Herzenberg .....	151
Chapter 9. <i>Industry, Innovation and Infrastructure</i> , by Samuel A. Markolf and Mikhail V. Chester.....	173
Chapter 10. <i>Reducing Inequality</i> , by Gerald Torres.....	191
Chapter 11. <i>Sustainable Cities and Communities</i> , by Jonathan Rosenbloom and Eva Rosenbloom .....	209
Chapter 12. <i>Responsible Consumption and Production</i> , by LeRoy Paddock .....	227
Chapter 13. <i>Climate Action</i> , by Michael B. Gerrard .....	247

Chapter 14. *Life Below Water: Ocean Protection*, by Anastasia  
Telesetsky..... 267

Chapter 15. *Life on Land*, by William J. Snape III and  
Elena Gartner ..... 287

Chapter 16. *Peace, Justice, and Strong Institutions*, by Kimberly  
Brown..... 307

Chapter 17. *Partnerships for the Goals*, by Jane Nelson ..... 329

Concluding Thoughts, by John C. Dernbach and  
Scott E. Schang ..... 347

Index of Recommendations Organized by Actor ..... 359

# Table of Contents

About the Editors.....	xiv
Contributing Authors .....	xv
Preface.....	xxv
Introduction, by John C. Dernbach and Scott E. Schang.....	1
I. Sustainable Development and the Sustainable Development Goals.....	2
II. The SDGs Are Critical to U.S. Policymaking.....	8
III. Sustainable Development and American Values.....	9
IV. U.S. Progress on SDGs.....	12
V. Plan of This Book .....	14
VI. Public Discussion—and Action—Needed on Recommendations .....	15
Overview: The Sustainable Development Goals and the United States, by Anthony Pipa .....	17
I. The United States and the Creation of the SDGs: A Brief History.....	18
II. U.S. Implementation of the SDGs: 2016-2020.....	23
III. The United States and the SDGs Post-2021: The Imperative to “Build Back Better” .....	25
IV. Establish Whole-of-Government Leadership .....	26
V. Adopt the Data-Driven Discipline of the SDGs to Transparently Measure Impact of Domestic Policy.....	28
VI. Leverage “All-of-Society” Leadership on the SDGs.....	30
VII. Conclusion.....	31
Chapter 1. <i>No Poverty</i> , by Audra Wilson and John Bouman .....	33
I. Target 1.1 — Eradicate Extreme Poverty .....	33

II.	Target 1.2 — Reduce Poverty.....	35
III.	Target 1.3 — Improve Social Protection Systems.....	37
IV.	Target 1.4 — Ensure Equal Ownership Rights.....	40
V.	Target 1.5 — Increase Disaster Resilience.....	42
VI.	Target 1.a — Mobilize Resources.....	46
VII.	Synergies With the Other Sustainable Development Goals.....	47
VIII.	Conclusion.....	47
Chapter 2. <i>Zero Hunger</i> , by Claire Babineaux-Fontenot and Corey Malone-Smolla.....		
I.	The United States Has Made Good, but Incomplete, Progress.....	50
II.	Making Pandemic-Era Steps to Address Food Insecurity Permanent Will Help End Hunger.....	55
III.	Ending Hunger Requires More Sustainable Food Systems.....	60
IV.	Underlying Drivers of Hunger Span Several Goals and All Must Be Addressed in Order to End Hunger.....	62
V.	Conclusion.....	63
Chapter 3. <i>Good Health and Well-being</i> , by Alexandra Phelan with Teresa Cutts and Gary Gunderson.....		
I.	U.S. National Progress on Goal 3.....	65
II.	Progress at the U.S. State and Local Levels on Goal 3...	69
III.	Lack of Universal Health Coverage as a Key Failing.....	71
IV.	Recommended Actions for Goal 3.....	75
V.	Conclusion.....	79
Chapter 4. <i>Quality Education</i> , by Mark Dorosin.....		
I.	After Some Limited Progress, the United States Retreats From Education Equity.....	82
II.	What Is to Be Done?.....	86

III. Conclusion.....	95
Chapter 5. <i>Gender Equality</i> , by Karol Boudreaux.....	97
I. Why Gender Equality Matters .....	98
II. The United States Is Making Some Progress on Gender Equality.....	99
III. Target 5.1 — End Gender Discrimination.....	100
IV. Target 5.2 — Stop Gendered Violence and Exploitation..	102
V. Target 5.3 — Stop Forced Marriages and Mutilation.....	103
VI. Target 5.5 — Provide Full Participation .....	105
VII. Target 5.6 — Provide Universal Access to Reproductive Rights and Health .....	109
VIII. Other Steps to Promote Gender Equality at State and Local Levels .....	109
IX. Beyond Law: Private-Sector and Philanthropic-Sector Options to Promote Gender Equality .....	110
X. Conclusion.....	113
Chapter 6. <i>Clean Water and Sanitation</i> , by Robert W. Adler .....	115
I. Introduction.....	115
II. Attainment of Key Aspects of Goal 6 for the United States .....	116
A. Safe and Affordable Drinking Water .....	116
B. Sanitation and Hygiene.....	118
C. Water Quality .....	119
D. Water Supply and Efficient Water Use.....	121
E. Integrated Water Resources Management .....	122
F. Aquatic Ecosystem Restoration and Protection.....	123
III. Law and Policy Recommendations to Accelerate Progress .....	123
A. Water and Sanitation: Health, Environment, and Equity.....	124

- B. Aquatic Ecosystem Restoration and Protection..... 125
- C. Sustainable Water Use..... 128
- IV. Conclusion..... 129
- Chapter 7. *Affordable and Clean Energy*, by Elizabeth Kronk Warner and Uma Outka..... 131
  - I. Introduction ..... 131
  - II. Progress..... 132
  - III. Accelerating Clean Energy in the United States ..... 136
  - IV. Ensuring Energy Access and Affordable Energy in the United States ..... 143
  - V. Energy Burden in the Clean Energy Transition: Assuring Affordable and Clean Energy for All ..... 146
  - VI. Conclusion..... 148
- Chapter 8. *Decent Work and Economic Growth*, by Stephen Herzenberg ..... 151
  - I. The Most Relevant Goal 8 Targets for the United States ..... 151
  - II. What Progress Has the United States Already Made Toward Goal 8? ..... 152
  - III. Changes in Federal, State, and Local Law to Boost Progress Toward Goal 8 ..... 157
    - A. Changes in Labor Rights and Labor Standards Laws That Could Help Unions Grow ..... 157
    - B. Changes in Law That Would Promote Full Employment ..... 163
    - C. Changes in Law to Foster Federal-State Strategic Interaction on Labor Rights and Full Employment..... 166
    - D. Nonlegal Changes That Could Accelerate U.S. Progress on Goal 8 by 2030 ..... 167
  - IV. List Versus Strategies: Integrating Changes Across SDGs ..... 170

V. Conclusion.....	171
Chapter 9. <i>Industry, Innovation and Infrastructure</i> , by Samuel A. Markolf and Mikhail V. Chester .....	173
I. Introduction.....	173
II. Current Progress and Opportunities for Improvement Toward 2030 Targets.....	174
III. Legal and Policy Changes That Can Accelerate Progress Toward 2030 Targets .....	178
A. Transportation Infrastructure.....	178
B. ICT Infrastructure .....	183
C. General Infrastructure Resilience.....	184
IV. Nonlegal Changes That Can Accelerate Progress Toward 2030 Targets.....	186
A. Engineering Professional Practice .....	186
B. Colleges and Universities .....	187
V. Conclusion.....	188
Chapter 10. <i>Reducing Inequality</i> , by Gerald Torres.....	191
I. Key Aspects of Goal 10 for the United States .....	193
A. Target 10.1 — Increase Income Growth.....	193
B. Target 10.2 — Improve Inclusion.....	195
C. Target 10.3 — Give Equal Opportunity Without Discrimination.....	196
D. Target 10.4 — Promote Equality.....	197
E. Target 10.5 — Better Regulate Financial Markets....	198
F. Target 10.6 — Improve Developing Countries Representation .....	199
G. Target 10.7 — Provide for Responsible Migration....	200
H. Target 10.a — Provide Differential Treatment for Developing Nations.....	201
I. Target 10.b — Enhance Development Assistance....	201

J.	Target 10.c — Reduce Remittance Costs.....	202
II.	Recent U.S. Legal and Policy Efforts on Goal 10 and Recommended Action .....	202
A.	Domestic Support for Marginalized Populations (Targets 10.1-10.4) .....	203
B.	Regulation of Financial Markets and Institutions (Target 10.5).....	206
C.	Migration (Targets 10.7 and 10.c) .....	206
D.	Developing Country Support (Targets 10.6, 10.a, and 10.b).....	207
III.	How Progress Toward Reducing Inequality Can Advance Other Goals.....	208
IV.	Conclusion.....	208
Chapter 11.	<i>Sustainable Cities and Communities</i> , by Jonathan Rosenbloom and Eva Rosenbloom .....	209
I.	Regenerative and Restorative Zoning and Planning.....	212
II.	Zoning Justice .....	216
III.	Life-Cycle Approach to GHG Regulation .....	219
IV.	The Sustainable Development Code.....	222
V.	Conclusion.....	225
Chapter 12.	<i>Responsible Consumption and Production</i> , by LeRoy Paddock .....	227
I.	Introduction.....	227
II.	Materials Usage in the United States .....	229
III.	Addressing the Materials Usage Problem.....	230
IV.	Materials Conservation Policy Options .....	233
V.	Recommendations .....	236
A.	Federal Government.....	236
B.	State Governments .....	243
C.	Local Governments .....	244

D. Private Sector.....	244
VI. Conclusion.....	246
Chapter 13. <i>Climate Action</i> , by Michael B. Gerrard .....	247
I. Mitigation.....	248
A. Goals .....	248
B. U.S. Progress in Meeting Goals .....	251
C. What Will Be Required to Meet Goals.....	251
II. Adaptation .....	257
A. Goals .....	257
B. U.S. Progress in Meeting Goals .....	259
C. What Will Be Required to Meet Goals.....	259
III. Interactions With Other SDGs.....	262
IV. Conclusion.....	265
Chapter 14. <i>Life Below Water: Ocean Protection</i> , by Anastasia Telesetsky.....	267
I. Targets for Which the United States Has Made Progress .....	268
A. Target 14.4 — Effectively Regulate Fishing to Produce Sustainable Fisheries .....	268
B. Target 14.5 — Conserve Coastal and Marine Areas.....	271
C. Target 14.6 — End Subsidies Contributing to Overfishing.....	272
II. Targets for Which the United States Does Not Appear to Have Made Progress.....	273
A. Target 14.c — Improve Ocean Governance .....	274
B. Target 14.1 — Reduce Pollution .....	276
C. Target 14.3 — Mitigate Ocean Acidification Effects.....	281
III. Conclusion.....	284

Chapter 15. *Life on Land*, by William J. Snape III and Elena Gartner ..... 287

- I. U.S. Biodiversity Is Unique and Needs Protection: Why Goal 15 Matters to the United States ..... 288
- II. Rethinking U.S. Public and Private Lands Conservation Through Goal 15 ..... 295
  - A. Management of Public Lands ..... 295
  - B. Implementation of the ESA and Other Acts Relevant to Species Protection ..... 298
  - C. Conservation Easements on Private Lands ..... 300
  - D. The 1872 Mining Act Is Outdated..... 302
  - E. Reassert U.S. Leadership Globally..... 303
- III. Conclusion..... 304

Chapter 16. *Peace, Justice, and Strong Institutions*, by Kimberly Brown..... 307

- I. Priority 1 for Goal 16: Foster Strong, Transparent Institutions and Strengthen Representative and Inclusive Governance ..... 309
- II. Priority 2 for Goal 16: Ensure Significant Reduction in All Dimensions of Violence ..... 312
- III. Priority 3 for Goal 16: Ensure Promotion of the Rule of Law and Equal Access to Justice for All..... 316
- IV. Priority 4 for Goal 16: Tackle Discriminatory Laws and Policies That Foster Inequality and Protect Fundamental Freedoms and Human Rights ..... 318
- V. Priority 5 for Goal 16: Recommit to Global Leadership on Goal 16, Including on Aligning of Foreign Policy and Foreign Assistance Priorities..... 324
- VI. Conclusion: The Way Forward for Goal 16 in the United States ..... 326

Chapter 17. <i>Partnerships for the Goals</i> , by Jane Nelson .....	329
I. Finance (Targets 17.1 to 17.5).....	330
II. Science and Technology (Targets 17.6 to 17.8) .....	333
III. Policy and Institutional Coherence (Targets 17.13 to 17.15) .....	335
IV. Multistakeholder Partnerships (Targets 17.16 and 17.17) .....	336
A. Federal and State-level Alliances .....	337
B. Local, Place-based Community-level, Rural, or City Partnerships .....	339
C. Industry-led Collective Action.....	340
D. Partnerships to Reinvigorate and Leverage U.S. Global Leadership .....	342
V. Data, Monitoring, and Accountability (Targets 17.18 and 17.19) .....	344
VI. Conclusion.....	345
Concluding Thoughts, by John C. Dernbach and Scott E. Schang .....	347
I. The SDGs Provide a Practical Governance Framework for Achieving Greater Prosperity for All.....	347
II. The Recommendations in this Book Provide a U.S. Agenda for Accelerating the Transition to a Sustainable Society.....	350
Index of Recommendations Organized by Actor .....	359
